Group Name: Innovate Coders

Group Number: 07

Company Name: Alpha Codes (PVT) LTD

Project Name: Web Based Library Management System

Mentor Name: P. Thushapan

Designation: Senior Software Engineer

Brief description about the project:

The Library Management System is a user-friendly software designed specifically for schools to streamline library operations. It offers secure user registration, real-time book availability, borrowing and returning features, and fine management for students. School librarians can easily manage resources, update book details, and track inventory. Additionally, the LMS includes an article section where students can submit their articles
